

❖ Sale Schedule:

❖ 6:30 a.m. – Doors will open

- –Anyone who does not have a lot # may obtain one at this time by paying their \$10 deposit.
- –A checklist, lot tags, and lot forms may be picked up inside at the registration table.
 - Lot forms are \$.25 each paid when picked up.

❖ 7:00 a.m. –Lots 1-15 may begin bringing fur into the building.

- –We will post on a dry wipe board when other lots should be brought in.
- **–Do not bring in fur until your number is in the range posted.**
 - Exception – otters and bobcats must be brought temporarily to the AGFC table to get CITES tags.
 - A representative of the AGFC will be available to issue CITES tags for bobcats and otter. You must bring these furs to their table to get the tags. Untagged otters and bobcats will NOT be sold.

❖ 8:00 a.m. – Sale will begin

❖ Sale Guidelines

- There is a maximum of 27 sub-lots per seller. For example, if you receive lot#15, you may label tags and forms with the following sub-lot numbers: 15,15A, 15B, 15C...15X,15Y and 15Z.
 - *Note: the first sub-lot number will be 15 not 15A.
 - If you need more than 27 sub-lots come to the registration table for assistance.
- There is a 5% commission on the total selling price of your fur as well as a 25¢ charge per sub-lot.
 - *Note Each Sub-lot requires a separate lot form.
- Each sub-lot may contain as many furs of one species as you wish to sell simultaneously.
 - No more than 5 green beaver or otter OR 10 green raccoon may be bundled together.
 - **Each sub-lot may contain several bundles.**
- If you wish to reject a bid (PO – pull out), you must do so before the fur leaves the auction table.
- Sellers must be ATA members. Anyone desiring membership may acquire it at the ATA table.
- No “outside deals” (selling privately or not across the auction table).
 - The only exception is deer hides and antlers.
 - All fur will go across the auction table for all buyers to bid.
 - Violators may be banned from future ATA events.
- Beaver castors must be dried or fully thawed so they can be inspected by the buyers.
 - Anyone attempting to sell frozen castors will risk a greatly reduced price or a “no sale”.
