FBU is off to a good start this spring.

Cody Hutton in Iowa just recently hosted their annual FBU banquet. A big THANKS goes out to Cody and his crew.

I am pleased to inform you that we have added a new banquet to our schedule this year. Cindy Seff and I have been working closely with Wayne Watson, President of the Arkansas Trappers Association. Wayne and his banquet committee have been working very hard to make this a successful event. Thanks to Wayne and the Arkansas Trappers Association for hosting this new event.

If you live within reasonable driving distance of any of these events, I would like to encourage you to come out and support the hosting state, as well as FBU.

FBU would love to work with your state and partnership with a fundraising activity. Every dollar raised by FBU goes to educate the public; and promote and preserve our trapping heritage. If you would like more information on our fundraising programs contact our fundraising chairman Cindy Seff, or myself, John Daniel, FBU President.

Sincerely,

John Daniel
