### **May Board Report**

**We are receiving a steady stream of Trappers Victory donations and memberships in the mail. Right now we have netted over \$11,000 with this fundraiser. We are working with Chris McAllister and Dave Shuttleworth on finalizing the prize list for the 2018 Sweepstakes. We have begun working on the design work for this mailing but must have the completed prize list before we finalize the design on the tickets. We should have all of this ready to mail out in early June.**

**The April membership report is also in this mailing. It shows an increase of 33 memberships for the month. While we feel that we are doing everything that we can in the office, we still need the help of the state affiliates. Remember, we are still offering the NTA/State Membership Drive. Before you go to your next state event, remember this offer is still available to any state that wishes to participate. Please email Rebecca at [ntamemb@kiva.net](mailto:ntamemb@kiva.net) if you would like any applications and a list of current members from your state.**

**There are still several states that have not paid their Affiliate General Liability Insurance, Dues, and Membership Fees. The original invoices were mailed in January with a statement sent out every month to the treasurer. Please get these taken care of as soon as possible.**

**The 2nd Notice Credentials were mailed out to the Presidents on May 4th. Please keep your eye out for them and return them to the office as soon as possible.**

**Brooke will be attending the Western Regional Convention in Livingston, MT early next month to take care of the NTA booth and other financial matters. If you will be at the Western, please stop by and lend a hand.**

**The in house audit was completed in April. They were able to get most of their work done in 1 day. While we are still giving them information via email, the in house audit process went very well. We will have their report and recommendations soon and you will receive them at the National.**

**If you have any questions or comments, please feel free to call or email us.**
