Habitat, Conservation & Education

I'd like to begin by welcoming FBU's newest board members Matt Lumley and Chip Davis and look forward to working with them both.

Our long term Fundraising Chairman choose not to renew her contact this year. Cindy has given many years of service to FBU, I'd like to personally thank her for services and wish her luck.

FBU will continue to move forward with business as usual. Anyone interested in partnering with FBU can call me or contact the FBU Headquarters in Bedford.

Respectfully,

John Daniel, President  
FurBearers Unlimited
